

# COVID-19 | Corona Virus

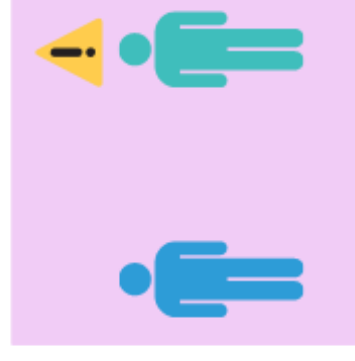

## Advice for Transgender Women

The TG community is at **HIGH RISK** of **VIRUS** transmission. **DO NOT** greet by shaking **HANDS** and **DO NOT TOUCH** other people (including for blessings)

Best method of protection is **WASHING HANDS** with **SOAP** for **20 SECS** and **KEEP A DISTANCE** from other people. **DO NOT** gather in groups or crowds

*If you have any questions or concerns related to transgender women and COVID-19 then contact your local primary healthcare centre*
